

LOWER SCHOOL ORIENTATION SCHEDULE

All students in pre-kindergarten and kindergarten should come with a parent to their teacher's room in the lower school building at 9:00 a.m. for a 30- minute orientation session with the teacher. They will then go to Webster Dining Hall to take school pictures and will then be free to leave. The whole process should not take more than an hour.

NEW students in grades 1-5 follow the same sequence as the pre-kindergartners and kindergartners, but the orientation session will begin at 9:00 a.m. in Greer Center. Students will meet the teachers they will work with this year, have a brief information session and an opportunity to ask questions. They will also have an opportunity to visit their classrooms to put away supplies. They will then go to Webster Dining Hall at to take school pictures and will then be free to leave.

Returning students in grades 1-5 should report to the dining hall at **10:30 a.m.** to have their school pictures taken. After they have had their photographs taken, they may go to their classrooms where teachers will help them put away supplies. We are asking students not to arrive at the school before 10:00 a.m., unless they have younger siblings attending one of the earlier orientation sessions. This will help avoid lengthy lines for photographs.
